## PRINCIPAL'S MESSAGE

Parenting school-aged kids involves balancing, nurturing their independence by providing guidance and boundaries. It is important to foster their social and emotional development, support their academic growth, and encourage healthy habits like communication and problem-solving. Consistency, empathy, and active listening are the keys in navigating challenges that they face at school and beyond. Good parenting involves a combination of love, guidance, and support. Here are some suggestions:

- **Show Unconditional Love:** Let your child know you love them no matter what.
- **Set Clear Boundaries:** Establish rules and consequences to help them understand expectations.
- **Encourage Independence:** Allow them to make decisions and learn from their mistakes.
- **Listen Actively:** Pay attention to their thoughts and feelings without judgement.
- **Be a Role Model:** Demonstrate the behaviour and values you want them to adopt.
- **Spend Quality Time:** Engage in activities together to strengthen your bond.
- **Provide Structure:** Maintain routines that promote stability and security.
- **Teach Empathy:** Help them understand and respect others' feelings.
- **Praise Effort and Progress:** Encourage perseverance and resilience.
- **Communicate Openly:** Foster honest conversations and be approachable.

Remember, every child is unique, so adapt these principles to suit your child's personality and needs.

## DOCTOR'S ADVICE

Maintaining oral health is crucial for overall well-being, as the mouth is essential for eating, speaking, expressing emotions and breathing. To ensure good health, follow these key practices:

**SMILE** : A smile enhances connections and attracts positive energy. Conditioning yourself to smile can boost your mood and social interactions.

**DIET** : Consume a balanced diet rich in vitamins, minerals, antioxidants, proteins, carbohydrates and fats. Proper chewing (mastication) helps in better digestion and nutrient absorption.

**TOOTH CARE:** Brush twice daily, floss regularly, and rinse your mouth to maintain oral hygiene, prevent dental issues, and avoid bad breath. Regular dental check-ups are important for early disease detection.

**FITNESS** : Engage in physical exercise to build stamina and support overall health. Physical and mental fitness are vital for achieving life goals.

Stay fit, happy, and dedicated to contribute positively to others. Jai Hind!

## PARENT'S VIEW

**My Dear Children of BVPS,**

- I thought of sharing my wisdom on education with you and the instrumental role schools/colleges play in shaping one's future.
- Education is like a magical adventure, where instead of a sword, you get a pencil/pen, and in place of a dragon, you get math homework. Imagine school as a quest: each day, you level up your brain by defeating tricky problems and unlocking the mysteries of science, history, and why the mitochondria is the powerhouse of the cell (seriously, why does everyone know that?).
- Your teachers are the wise wizards and mentors, guiding you through the enchanted forest of knowledge. They might seem like they're casting spells when they talk about algebra or the periodic table, but they're just helping you to unlock the secret powers of your mind. And let's be honest, they probably have their own invisible capes and superhero names.
- Then there comes your classmates, your fellow adventurers. Sometimes, they're the allies who help you with that tricky spelling word, and sometimes, they're the ones who forget their lunch and need to borrow yours. Together, you form an unstoppable team, conquering lessons/chapters from the book and science projects.
- So, remember, education isn't just about textbooks and exams. It's about gearing up for the ultimate quest of life, with a lot of laughs, a few brain-bending challenges, and maybe even a dragon or two (okay, no dragons, but lots of knowledge)!

## பள்ளி...!

மனிதன் தன் வாழ்க்கையில்  
மீண்டும் கிடைக்காதோ  
என ஏங்கும் பருவம் பள்ளி பருவம் மட்டுமே  
பாடம் கற்பதும் பள்ளியிலே,  
ஒடி விளையாடியதும் பள்ளியிலே,  
நல்ல நட்பு கிடைத்ததும் பள்ளியிலே,  
நல்லொழுக்கங்களை கற்றதும் பள்ளியிலே,  
திறமைகளை வளர்த்ததும் பள்ளியிலே,  
நல்ல வழிகாட்டி கிடைத்ததும் பள்ளியிலே,  
முயற்சி எடுத்த இடமும் பள்ளி,  
புகழ்ச்சி கிடைத்த இடமும் பள்ளி,  
அடையாளம் உருவாக்கியதும் பள்ளியிலே  
இலக்கை அடைந்ததும் பள்ளியிலே.  
ஒரு மனிதன் தன் தாயின்  
கருவறைக்குள் மீண்டும் செல்ல  
இயலாதது போல்  
அவன் தொலைத்த பள்ளி  
பருவத்தை மீண்டும் மீட்டெடுக்க முடியுமா...!

## Story :

### Stitch in Time Saves Nine

Once upon a time, in a village, there lived a tailor named Rohan. Rohan was known for his exceptional sewing skills, but he had a habit of procrastination. He would often delay mending torn clothes, thinking, "It's just a small tear, it can wait!" One day a farmer named Kaito brought his favourite coat to Rohan, asking him to repair a small tear. He puts the coat aside, saying "I'll get to it eventually" Days turned into weeks and the tear grew larger. One fateful day, a wind storm hit the village and Kaito's coat was beyond repair. The farmer was devastated. Rohan realized his mistake and felt guilty. He had let a small task into a bigger problem, costing Kaito his beloved coat.

## Poem :

### My Great Mom

She is the one who,  
held me close even before-  
my life begins.  
She is the one who,  
took all the miseries by herself-  
just to see me smile.

Her words may hurt  
hard as stone because her love  
towards me is unconditional.

She is the one who,  
taught me the way of living-  
by facing all my fear!  
She is the one who,  
is the reason how I stand today.

My Great Mom...

## பள்ளிக்கூடம் :

நம்பிக்கை நிறைந்த காட்டில் அன்பின் அடையாளமான ஆசிரியர்கள்....  
நட்பின் மறுஉருவமான நண்பர்கள்....  
நம்முடன் கைகொடுத்து நடக்கும் மரங்கள்...  
என அனைவருடன் சுவடி மகிழ்ந்து  
தினந்தோறும் மற்றவர்களை மட்டும் கற்காமல்... நம்முடைய வெற்றிப்  
பயணத்தை மற்றவர் அறியும்படி சரித்திரத்தை மாற்றி எழுத... பன்னிரண்டு  
ஆண்டு கால பயிற்சியுடன் அகிலத்தை மாற்ற தினந்தோறும் ஒரு விடாமுயற்சி  
என நம் எண்ணங்களை உலகவிக்கும்  
ஓர் அழகிய பிருந்தாவனம் ....
